V. U. Nagar, Gujarat, India.

Sub : MULTIFLEX – HIGH PRESSURE MOULDING MACHINE PERFORMANCE – FM3

We are pleased to inform you that we are satisfied with the performance of FM3 machine supplied and commissioned in July 2011.

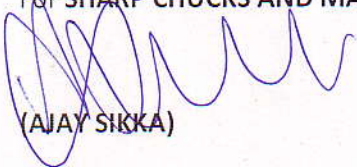

The FM3 with the integrated plant with Punch Out, Box Separation, Turnovers, Box Closing and Mould Handling automation has been integrated with your RMC 20 Sand plant and giving us the desired results.

We have achieved satisfactory mould hardness on horizontal and vertical faces with Multipiston Head required for our deep cavity and self core castings, ably supported by Sand @ 1700-1900 gcs delivered from RMC 20.

Your support for installation, process, servicing and spares is well appreciated and we thank you for the same.

Thanking you,  
Yours faithfully

For SHARP CHUCKS AND MACHINES LTD

  
(AJAY SIKKA)
